Name of vet practice

Phone number

Your foster animal

What type of animals are you interested in fostering?

<input type="checkbox"/> Puppies	<input type="checkbox"/> Adult dogs
<input type="checkbox"/> Kittens	<input type="checkbox"/> Adult Cats
<input type="checkbox"/> Other (specify)	<input type="text"/>

Are you able to care for puppies or kittens that require regular bottle feeding?

<input type="checkbox"/> Yes	<input type="checkbox"/> No
------------------------------	-----------------------------

What experience have you had of caring for animals?

What qualities do you have that you feel would be important to being a good foster carer?

Sometimes pets from families of domestic violence can be traumatised. Some of the problems that have been encountered are listed below, please explain how would you deal with these situations:

Caring for a dog that is constantly wetting and soiling in the house?

Having your furniture and personal belongings chewed or scratched?

Where did you hear about the Domestic Violence Scheme?

References

Domestic violence is a very serious crime. For the safety of everyone involved with fostering, all Foster Carers are asked to supply two personal references:

Name	Full Name

Declaration

It can be a difficult part of the fostering process for you to bring back foster animals after caring for them for what could be several months. So it is important that you and your family understand and accept the emotional impact of this.

While fostering an animal in the care of the Domestic Violence Scheme, you must acknowledge the restrictions on distributing information and photographs about the animal. eg. on social networking sites

I would like information on other ways I can support the Domestic Violence Scheme
